

Thank you for contributing to the Knox County Parks and Recreation Fund, in cooperation with the Knox County Community Foundation. Contributing to this fund allows you to invest in your County Parks and Recreation Department, and aids us in expanding the facilities and programs that our department can offer. Some examples of projects and programs that your monies will contribute to are:

- Maintain and replace playground equipment
- Create recreational programs for children, teens, and adults
- Maintain bridges, hiking and biking trails
- Preserve natural and historical history
- Help plan and carry out special events, such as Family Fun days, art festivals, Fun Runs, etc.

The parks department takes care of Ouabache (Wabash) Trails Park, Hillcrest Park, Emison Mill Park, Enoco Mine Historical Park, and Pyramid Mound.

We, as a department, take pride in the parks and want to create the best atmosphere for the residents and visitors of Knox County to visit and take pride in. Thank you again for your continued support.
